**Violation:** RESTROOM FACILITIES NOT MAINTAINED [HSC 114250 & 114276]

**Description/Corrective Action:** Observed both men and women's restroom unsanitary. Note outside the doors did state that the restrooms were out of order. Operator needs to maintain restroom at all times. If the restrooms have plumbing problems then do not give keys to customers to use until issue is resolved.

**General Comments:**

This inspection was prompted due to an alleged complaint regarding restrooms being dirty.

Operator will contact our department to verify plumbing has been fixed and whether City of Hanford will allow them to close restrooms for partons due to unnecessary vandalizing by customers.

Thank you.
