The items (if any) listed below identify the violation(s) that must be corrected. Thank you for your cooperation.  
One reinspection will be conducted (if needed) at no charge. A service fee is assessed for each additional reinspection required.

**Violation:** RESTROOM FACILITIES NOT MAINTAINED

[HSC 114250 & 114276]

**Description/Corrective Action:**

Observed both the male and female public restrooms to be lacking warm water. Please repair this issue and make sure that both restrooms supply hot water as stated per Section 113953 (B)(3) Hand washing facilities shall be equipped to provide warm water under pressure for a minimum of 15 seconds through a mixing valve or combination faucet. If the temperature of water provided to a hand washing sink is not readily adjustable at the faucet, the temperature of the water shall be at least 100°F, but not greater than 108°F.

Employee female restroom was observed to have hot water but the male employee restroom was observed to be lacking enough pressure for water to be released as well as hot water.

Additionally, please make sure that all soaps used for hand wash stations be replaced to pump soap dispensers.

**Violation:** IMPROPER MAINTENANCE OF FACILITY OR EQUIPMENT

[HSC 114161-114182 & 114257]

**Description/Corrective Action:**

Observed the three compartment sink in the kitchen to be leaking. Please repair this before the next routine inspection.

Observed multiple areas of the facility to have missing floor tiles. Operator stated that there was repairs done to the septic system and the tiles will be replaced. Please make sure to replace these before the next routine inspection.

**General Comments:**

The hand wash station was observed to be fully stocked.

All cold holding units including the reach in and walk in refrigerator was observed to be holding temperatures at or below 41°F.

All hot holding units were observed to be holding temperatures above 135°F.

All food items on the general floor sales area were observed to be well maintained and organized.

A re-inspection will be performed at no charge to verify compliance with today's noted violations on or after October 12, 2016. Should additional re-inspections be required, the facility will be assessed \$225 per inspection. Thank you.
