Violation: None Noted

General Comments:

Today's re-inspection is a follow up from a routine inspection conducted on October 6, 2016. The following was observed:

The ice machine was observed to be clean from the inside.

The inside of the reach in refrigeration unit was observed to be cleaned up.

The back of the grill area was observed to be cleaned up with no grease pooled up.

There were no dishes observed in the hand wash sink.

Overall cleanliness of this facility was observed to be significantly improved.

REPEAT: The light fixture on the far right of grill continues to be missing a light bulb and light cover. Please correct this before the next routine inspection.

Thank you for correcting the prior noted issues. Please continue to routinely clean all equipment.

RESULTS OF EVALUATION: PASS NEEDS IMPROVEMENT FAIL
