

# Notice of Joint Technical Document Amendment

Site Info: Avenal Regional Landfill  
1200 Skyline Blvd.  
Avenal, CA 93204

Permit Number: 16-AA-0004

Date Received by LEA: November 7, 2016

Proposed Amendment to JTD: Incorporate language regarding the landfill's current water source as well as the addition of the landfill gas flare station. The JTD/RFI amendment consists of the following:

1. Revised JTD/RFI textual changes to reflect an update regarding the public tipping area, waste inflow rates, landfill gas extraction, modifications to base grades of Phase 3-7 of the landfill.
2. Figure 4 modifications as well as an update of the soil balances.
3. Update of Preliminary Closure/ Post Closure cost estimate.
4. Update to site capacity.
5. Update of the foreseeable groundwater release corrective action cost estimate.
6. Addition of the foreseeable non-groundwater cost estimate.
7. Appendix P modification to include current financial mechanisms.

Date Approved by LEA: November 23, 2016

Appeal Info: Pursuant to Public Resource Code §44307 a timely appeal of the LEA approval must be submitted to the LEA within 15 days of the approval.

Additional Info: Additional information about the approved application is available for review at the Department of Public Health 330 Campus Dr. Hanford, CA 93230
